As a public servant all parties agree lin. that Ex-Governor MEDILL was honest and faithful. During over twenty-five years of public life, in which he was almost constantly in official position. there was flot an official act of his which he could wish to blot. At the head of the Bureau of Indian Affairs, by Indian Agents; and as Comptroller of the Treasury, under Buchanan he successfully resisted the payment of the celebrated Carmack & Ramsey claim, amounting to two millions of dollars. He was a good Governor, and

during his palmy days, was considered one of the best presiding officers in the State, possessing the requisites of great promptness and an urband and dignified manner. If anything can be said against him, it is that politics was his profession, and that during the last few years his sympathics were not with the Government in the suppression of the rebellion. During ber A full report of the meeting held at this time, he was too much broken in the Court House, for the purpose of health to take any active part in poli- expressing the sense of the communi-
